Profile

I am Anansi, an ambitious, committed, and creative 3rd Year Software Engineering student at Addis Ababa University, building a strong foundation in software development through coursework and hands-on projects. With a passion for problem-solving and a growing focus on front-end development, I am actively enhancing my skills in problem-solving while learning JavaScript, React, and Python to create user-friendly applications. Dedicated to writing clean, efficient code, I am eager to tackle real-world challenges and continuously expand my technical skills to deliver impactful solutions.
